<p>Russell, Debra L.</p> <p>Interpreting in Legal Contexts: Consecutive and Simultaneous Interpretation Linstok Press Dissertation Series</p> <p>Linstok Press Burtonsville, Maryland 2002</p>	<p>Seminal work establishing a research base for the concept that consecutive interpretation is more accurate than simultaneous interpretation in trials. Based upon mock trials conducted and analyzed by the author which compared accuracy rates in established error taxonomies when a legal text was interpreted in the consecutive mode vis a vis the simultaneous mode.</p>	<ul style="list-style-type: none"> <li>• Audience – ASL interpreters and academics</li> <li>• Available from publisher</li> <li>• Essential tool</li> <li>• Topic – consecutive interpreting and accuracy</li> </ul>
<p>Russell, Debra L., &amp; Hale, Sandra, Editors</p> <p>Interpreting in Legal Settings Studies in Interpretation Series Volume 4</p> <p>Gallaudet University Press 2008</p>	<p>The editors bring together five chapters from various spoken language and sign language interpreter scholars and include topics such as the dynamics of court interpreting, interpreting in asylum appeal hearings, an analysis of the court interpreter's strategies for conveying threats to face, deaf jurors, a preparation and its perception by multiple actors, and legal interpreting in Malaysia.</p>	<ul style="list-style-type: none"> <li>• Audience – legal interpreting students</li> <li>• Available from the publisher</li> <li>• Helpful tool</li> <li>• Topic – Deaf jurors, preparation, international</li> </ul>
<p>Witter-Merithew, Anna</p> <p>Interpreting in the American Judicial System</p> <p>Advancement Seminars, Inc. Sign Media, Inc. Burtonsville, Maryland 1995</p>	<p>Seminal practical tool including a series of 12 videos and an accompanying workbook to understand the legal system and implement the concepts through viewing model interpretations and through providing stimulus materials for practice activities</p>	<ul style="list-style-type: none"> <li>• Audience – ASL interpreters</li> <li>• Available from publisher</li> <li>• Essential tool</li> <li>• Topic – court and legal interpreting; self-study curriculum and practical materials</li> </ul>

# Sign Language Interpreting Literature

## Articles & Journal Articles

<u>Resource</u>	<u>Description</u>	<u>Details</u>
<p>Andrews, Jean F., Vernon, McCay &amp; LaVigne, Michele</p> <p>The Bill of Rights, Due Process and the Deaf Suspect/Defendant</p> <p>Journal of Interpretation Registry of Interpreters for the Deaf 2007</p>	<p>Authors suggest that a significant population of deaf people who interact with the legal setting have little formal language skills and as a result are denied their basic civil rights when interacting with the legal system even when provided with a qualified sign language interpreter. Research conducted through a readability analysis of 11 common legal documents. Authors conclude that this population cannot comprehend the documents even with the aid of a sign language interpreter.</p>	<ul style="list-style-type: none"> <li>• Audience – ASL interpreters</li> <li>• Available from publisher</li> <li>• Helpful tool</li> <li>• Topic – sight translation and legal document content; English reading levels; deaf interpreters</li> </ul>
<p>Berko, Michelle Lee</p> <p>Preserving the Sixth Amendment Rights of the Deaf Defendant</p> <p>97 Dickenson Law Review 1992</p>	<p>Sets forth a dated, yet good, discussion of the Constitutional rights of deaf defendants. Includes the rights to confrontation and to effective assistance of counsel. Inventories the various methods of communicating with deaf defendants and critiques each (i.e., lipreading, writing, interpreting)</p>	<ul style="list-style-type: none"> <li>• Audience -- Attorneys, courts and ASL interpreters</li> <li>• Available in law libraries</li> <li>• Important tool</li> <li>• Topic – criminal law and rights of deaf defendants</li> </ul>

<p>Commission on Gender, Commission on Race &amp; Ethnicity United States Courts of Appeals for the Third Circuit</p> <p>Report of the Third Circuit Task Force on Equal Treatment in the Courts</p> <p>47 Villanova Law Review 1997</p>	<p>Surveys the state of the law regarding the use of spoken and sign language interpreter in state and federal courts. Sets forth statistics regarding interpreter usage by language and locale as well as anecdotal information gathered by the Task Force regarding the problems with interpreters. Provides a discussion of role and function of interpreters and engaged in a literature review of information related to interpreting in court.</p>	<ul style="list-style-type: none"> <li>• Audience – courts and attorneys</li> <li>• Available from, law libraries, the United States Court of Appeals for the Third Circuit or Westlaw</li> <li>• Useful tool</li> <li>• Topic – interpreters in the court system</li> </ul>
<p>Dery, Leslie, V.</p> <p>Amadou Diallo and the “Foreigner” Meme: Interpreting the Application of the Federal Court Interpreter Laws</p> <p>53 Florida Law Review 230 April 2001</p>	<p>A meme is a behavior, attitude, or idea learned from non-family members or imitated and then transferred to others until it becomes established in the culture. Dery analyzes the concept of “foreigner” in the legal system and how that person is viewed negatively by the dominant culture. Analyzes the brutal death of Diallo at the hands of law enforcement officers and the media insinuation that he was at least partially responsible for his death because he could not speak English. Also looks at the application of the Interpreter Act to individuals who have some English but not fluent English.</p>	<ul style="list-style-type: none"> <li>• Audience – courts and attorneys</li> <li>• Available from, law libraries, the publisher or Westlaw</li> <li>• Interesting tool</li> <li>• Topic – culture; Federal Court Interpreting Act</li> </ul>

Important tool to orient court interpreters to the workings of the attorney's mind in the trial process whether civil or criminal.</p>	<ul style="list-style-type: none"> <li>• Audience – attorneys and law students</li> <li>• Available from publisher or at law school bookstores</li> <li>• Useful tool</li> <li>• Topic – trial strategy and process</li> </ul>

# Forensic Linguistic Resources Beneficial to Interpreters in Legal Settings

## Books, Articles & Journal Articles

<u>Resource</u>	<u>Description</u>	<u>Details</u>
<p>Ainsworth, Janet</p> <p>‘You Have the Right to Remain Silent...’ But Only If You Ask for It Just So: The Role of Linguistic Ideology in American Police Interrogation Law</p> <p>The International Journal of Speech, Language and the Law                      Editors, Ron Butters, Diana Eades, Paul Foulkes &amp; Peter French                      Volume 15, Number 1                      2008</p>	<p>Criticizes current constitutional case law which requires a certain linguistic precision (U.S. v. Davis) in order to invoke the right to counsel during the interrogation after initially waiving the right to silence and agreeing to talk. Suggests that because of the hyper-literal requirements imposed by the Supreme Court, arrestees are unlikely to be able to effectively assert their constitutional rights.</p>	<ul style="list-style-type: none"> <li>• Audience – forensic linguists</li> <li>• Available from publisher</li> <li>• Useful tool</li> <li>• Topic – Constitutional law, law enforcement interpreting</li> </ul>
<p>Aldridge, Michelle &amp; Luchjenbroers</p> <p>Linguistic Manipulations in Legal Discourse: Framing Questions and ‘Smuggling’ Information</p> <p>The International Journal of Speech, Language and the Law                      Editors, Malcolm Coulthard, Diana Eades, Paul Foulkes &amp; Peter French                      Volume 14, Number 1                      2007</p>	<p>The author focuses on the linguistic experiences of sexual-assault witnesses in the British legal system. Examines the questions posed to a witness to encourage a particular perception of her testimony. Includes conceptual frames and smuggling information in attorney’s questions that support a representation that is in the witness’ interest or against her interests. Concludes that such linguistic manipulations can weaken a witness’ testimony by suggesting that she is to blame or is lying.</p>	<ul style="list-style-type: none"> <li>• Audience – forensic linguists</li> <li>• Available from publisher</li> <li>• Useful tool</li> <li>• Topic –socio-linguistics and interpreting for complaining witnesses in sex cases</li> </ul>

<p>Solan, Lawrence M. &amp; Tiersma, Peter M.</p> <p>Speaking of Crime: The Language of Criminal Justice The Chicago Series in Law and Society</p> <p>University of Chicago Press Chicago and London 2005</p>	<p>The authors guide readers through a discussion of how law is used by the police with suspects, the goals of the officers in obtaining a confession and the limitations placed upon them. A legal analysis of the constraints upon law enforcement is also provided. The law regarding searches and consent to search as a discourse act is reviewed with an emphasis on the use of racial profiling as a method for developing probable cause. The authors survey the law regarding interrogation, confession and the right to counsel including Miranda. The authors discuss various implications of using linguistic evidence in court including witnesses memories, taped statements and written statements. Finally, several crimes of language are discussed including solicitation, conspiracy, bribery, threats and perjury.</p>	<ul style="list-style-type: none"> <li>• Audience – forensic linguists</li> <li>• Available from publisher</li> <li>• Useful tool</li> <li>• Topic –socio-linguistics in regards to the criminal law</li> </ul>
